

Handheld Filtered Shower Head

PLUO SHOWERHEAD

Features

- Dual-filter system reduces chlorine and impurities for cleaner, softer water.
- Enhances water pressure while conserving water with a stainless-steel laser-cut spray plate.
- Vitamin C filtration softens water and helps protect skin and hair.
- Features a silky spray mist and powerful jet shower for a spa-like experience.
- BPA-free ABS plastic construction ensures a safe and durable design.
- Compatible with scented Vitamin C filters, available in lavender and lemon.
- Suitable for pet baths, providing gentle yet effective cleaning.
